## **October Event**

The Little Rhody Division monthly event for October will take place on **Saturday morning, October 1st** at the Somerset Public Library, 1464 County Street, Somerset, MA 02726. Set up and coffee will be at **9:30 AM**. The meeting will begin at **10 AM**.

First up will be **ASK A QUESTION/SOLVE A PROBLEM**, a forum for our in-house experts to answer your questions and solve your nagging problems.

Next on the agenda will be to finalize volunteers and details for our Model Train Show at the Pawtucket Armory on Sunday, Oct 16th. **Anyone planning to display their T-TRAK module(s) at the train show must bring their modules to this event for set up and display. Set all levelers so the track height from the top of the table is 3.5 inches. Verify that your wiring matches the Little Rhody standards. Only modules set up and functioning properly will receive a sticker for display at the train show.**

Following show preps, this meeting will be open to the public from 11 AM to 1 PM. The library is publicizing this event, so we hope to introduce members of the community to model railroading. Come and share your passion and knowledge of model railroading.

## **Rhode Island Model Train Show**

The train show will be held on **Sunday, October 16th** at the Pawtucket Armory. This year's show will include more operating layouts than in the past, in more

scales. We need volunteers to make this show a success. We need volunteers to set up for the show on Saturday, to work the show on Sunday, and to break down the show on Sunday afternoon. Attached is a flyer for the train show for your use. Contact Justin Maguire at [xxxx@fullchannel.net](mailto:xxxx@fullchannel.net) or 401-246-0381 to volunteer or if you would like a quantity of flyers to post in local establishments or to distribute around town.
