

Summer is winding down and it's time to start thinking about trains again.

SEPTEMBER EVENT

The next Little Rhody Division event is scheduled for **Saturday, September 1st** at **East Greenwich United Methodist Church**, 1558 South County Trail, East Greenwich, RI 02818. Parking and entrance at the rear of the building. Spouses and guests are always welcome.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems. If there is sufficient interest, we will **send out for lunch** at **Noon**.

This month we will have two clinics...

The White Pass and Yukon

George Landow will take us on a brief photo tour on the **White Pass and Yukon** from the Yukon territories down to Juneau, Alaska.

The railroad began construction in 1898 during the Klondike Gold Rush as a means of reaching the goldfields. With its completion in 1900, it became the primary route to the interior of the Yukon, supplanting the Chilkoot Trail and other routes. The route

continued operation until 1982, and in 1988 was partially revived as a heritage railway.

Weathering

Steve Erickson will demonstrate weathering using Hunterline stains and Pan Pastels.

October Event

Mark your calendar for the morning of Saturday, October 6th. The program has yet to be decided. However, our new program committee, consisting of David Kiley, Mike Tylick and Steve Erickson, is at work putting together programs for the coming year. If there is a topic that you would like to have addressed, please let us know.

Train Shows & Layout Tours

September 15 TCA Toy Train Show
9 AM - 2 PM
Pilgrim High School, 111 Pilgrim
Parkway, Warwick RI 02888
