

## **OCTOBER EVENT**

The next Little Rhody Division event is scheduled for **Saturday, October 6th** at the **United Methodist Church**, 1558 South County Trail, East Greenwich, RI 02818. Parking and entrance at the rear of the building. Spouses and guests are always welcome.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems. If there is sufficient interest, we will **send out for lunch** at **Noon**.

### **Trains, Planes and Automobiles by Bob Peters**

Little Rhody member Bob Peters is a lover of mechanical gadgets, especially those that move under their own power. Bob's PowerPoint presentation is titled "Trains, Planes and Automobiles" after the similarly named movie, and features interesting photos of all three modes of transportation. Prepare to sit back and let Bob share some of his experiences.

## **FUTURE EVENTS**

### **November**

Saturday, November 3rd at United Methodist Church in East Greenwich, RI. - Program TBD.

### **December**

Saturday, December 8th at United Methodist Church in East Greenwich, RI. - We will have a speaker, followed by our Holiday Potluck Luncheon. Note that this is scheduled for the second Saturday of December to avoid conflict with the New England Model Train Expo in Marlborough, MA on December 1 & 2.

## **MEMBERS...**

- Would you like to have a mentor? Would you like to be a mentor to someone new to the hobby? Little Rhody Division can help bring people together. Let me know your skill level, scale, and what you need or can offer as a mentee or mentor and I will play matchmaker.
- We would like to hear from you on topics of interest to you that we can address at future LRD events. Also, if you know of someone who has an interesting presentation or clinic that you would like to see, pass it along. Just drop me an e-mail and we will look into it.

As always, please contact me with any questions or issues.
