

FEBRUARY EVENT

The next Little Rhody Division event is scheduled for **Saturday, February 2** at the **Warwick Central Library**, 600 Sandy Lane, Warwick, RI 02889. Spouses and guests are always welcome.

Note: A recent sewer line break resulted in closure of Sandy Lane west of the library for repairs. There may still be a detour in place through a residential neighborhood, but we recommend that you access Sandy Lane from Warwick Avenue (Rte. 117A) to the east instead.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems.

No White Elephant Table this month.

Operating Layout - Rhode Island and Old Colony T-TRAK N-Scale

Little Rhody Division (LRD) members will assemble their T-TRAK modules for the enjoyment of LRD members and library patrons. Following a brief business meeting, the layout will be opened to the public until about 1 PM.

The N-scale Rhode Island & Old Colony Railroad loosely represents **the railroad line in** coastal Rhode Island and nearby Massachusetts during the 1950s and 1960s. More information is available on Facebook at [Little Rhody N Trak](#).

Members planning to bring modules should contact David Dekonski ([xxxx@aol.com](#)) in advance. Only modules with scenery are wanted for this set-up. Members with modules should plan to arrive at 9 AM for set-up in the library's large meeting room.

FUTURE EVENTS

March

Saturday, March 2nd at United Methodist Church in East Greenwich, RI. - Presentation on the **Old Colony and Newport Railway** by Jack Doyle, General Manager.

Saturday, March 16th - HUB Division Spring TRAINing, Worcester State University, Worcester, MA. Flyer attached.

April

Saturday, April 6th at United Methodist Church in East Greenwich, RI. - Presentation by Doug Scott. Topic to be determined.

MEMBERS...

- From Steve Ryder: If anyone has a need for information published in Model Railroader magazine from 1934 - 2009, I have the digital (PDF) library on my PC. I would be happy to extract a PDF file for you based on a specific article, or on a topic based on a key word search, such as "New Haven SW1200." I would be reluctant to engage in a multiple hour/day research effort of extracting bits and pieces, but would help out as time permitted. Send your requests to [xxxx@verizon.net](#).

- Would you like to have a mentor? Would you like to be a mentor to someone new to the hobby? Little Rhody Division can help bring people together. Let me know your skill level, scale, and what you need or can offer as a mentee or mentor and I will play matchmaker.
- We would like to hear from you on topics of interest to you that we can address at future LRD events. Also, if you know of someone who has an interesting presentation or clinic that you would like to see, pass it along. Just drop me an e-mail and we will look into it.

As always, please contact me with any questions or issues.

Linda Bergemann
Membership Chair
Little Rhody Division NMRA
