

## **MARCH EVENT**

The next Little Rhody Division event is scheduled for **Saturday, March 2** at the **United Methodist Church**, 1558 South County Trail, East Greenwich, RI 02818. Parking and entrance at the rear of the building. Spouses and guests are always welcome.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems.

### **Old Colony and Newport Railway by Jack Doyle**

Jack Doyle will give a presentation on the history of railroads on Aquidneck Island, RI.

### **White Elephant Table**

Bring your surplus train stuff to our White Elephant Table and see if someone would like to give a new home. Provide a suggested price for your items, but

be willing to haggle a bit if necessary. Price tags will be available. A contribution to Little Rhody Division of 10% of the selling price is requested to support our endeavors and to offset any expenses we may incur.

## **FUTURE EVENTS**

### **April**

Saturday, April 6th at United Methodist Church in East Greenwich, RI. - Presentation of railways and railroad museums by Doug Scott of the HUB Division.

Saturday, April 6th - Southern New England Model Railroad Layout Tour open houses. For details visit <http://www.layouttour.com>.

### **May**

Saturday, May 4th at United Methodist Church in East Greenwich, RI. - Presentation by George Landow on running trains with battery power, aka "Dead Rail".

## **MEMBERS...**

- Would you like to have a mentor? Would you like to be a mentor to someone new to the hobby? Little Rhody Division can help bring people together. Let me know your skill level, scale, and what you need or can offer as a mentee or mentor and I will play matchmaker.
- We would like to hear from you on topics of interest to you that we can address at future LRD events. Also, if

you know of someone who has an interesting presentation or clinic that you would like to see, pass it along. Just drop me an e-mail and we will look into it.

As always, please contact me with any questions or issues.
