

APRIL EVENT

The next Little Rhody Division event is scheduled for **Saturday, April 6** at the **United Methodist Church**, 1558 South County Trail, East Greenwich, RI 02818. Parking and entrance at the rear of the building. Spouses and guests are always welcome.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems.

"Rails and Sails" by Doug Scott, HUB Division

In Doug's own words..."My presentation is a multimedia PowerPoint presentation set to music and includes Diesel & Steam operations and displays, plus a taste of schooners under sail.

I will cover Labor Day weekend 2015 split between North Conway, NH and Gloucester, MA, then move on to Railroad Museums in Roanoke, VA and Green Bay, WI followed by Amtrak, The Seaview RR , Adirondack Scenic, Reading & Northern, Cooperstown & Charlotte Valley and bits and pieces of BNSF, NS & CSX freight action. After I cover the diesel action, I will move on to steam, both narrow gauge and standard gauge, as well as maritime. On display will be static steam displays, a Great Lakes steam ferry, Conway Scenic #7470, Nickel Plate #765, Reading & Northern #425 and the 2-foot gauge Wiscasset, Waterville & Farmington Railway."

White Elephant Table

Bring your surplus train stuff to our White Elephant Table and see if someone would like to give a new home. Provide a suggested price for your items, but be willing to haggle a bit if necessary. Price tags will be available. A contribution to Little Rhody Division of 10% of the selling price is requested to support our endeavors and to offset any expenses we may incur.

- We would like to hear from you on topics of interest to you that we can address at future LRD events. Also, if you know of someone who has an interesting presentation or clinic that you would like to see, pass it along. Just drop me an e-mail and we will look into it.
