

OCTOBER EVENT

The next Little Rhody Division (LRD) event is scheduled for **Saturday, October 5th** at the **Warwick Central Library**, 600 Sandy Lane, Warwick, RI 02889. Spouses and guests are always welcome.

We will meet in the Large Meeting Room, Room 101.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**. Plus, as always, we will share **ASK A QUESTION/SOLVE A PROBLEM**, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems.

Clinic #1: Using YouTube to Improve Our Modeling Skills

Justin Maguire, MMR and Little Rhody Division member, will take us on a "live" tour of YouTube resources that relate to model railroading projects.

Clinic #2: "A Room of One's Own" (with apologies to Virginia Woolf)

Steve Erickson, Little Rhody Division member, will describe building the almost perfect workshop - starting from the concrete up. This clinic will show construction of a workshop for a model railroader - including design

decisions, custom construction of elements, best supply sources, and choices made during the process.

White Elephant Table

Bring your surplus train stuff to our White Elephant Table and see if someone would like to give a new home. Provide a suggested price for your items, but be willing to haggle a bit if necessary. Price tags will be available. A contribution of 10% of the selling price to Little Rhody Division is requested to support our endeavors and to offset any expenses we may incur.
