

NOVEMBER EVENT

Celebrating National Model Railroad Month

The next Little Rhody Division event is scheduled for **Saturday, November 2** at **Seekonk Public Library**, 410 Newman Ave, Seekonk, MA 02771. Spouses and guests are always welcome. And, in this case, library patrons.

We will begin with socializing at **9:30 AM**, followed by information sharing and possibly a short business meeting at about **10 AM**. Plus, as always, we will share ASK A QUESTION/SOLVE A PROBLEM, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems.

No White Elephant Table this month.

Operating Layout - Rhode Island and Old Colony T-TRAK N-Scale

Little Rhody Division (LRD) members will assemble their T-TRAK modules for the enjoyment of LRD members and library patrons. Following a brief business meeting, the layout will be opened to the public.

The N-scale Rhode Island & Old Colony Railroad loosely represents **the railroad line in** coastal Rhode Island and nearby Massachusetts during the 1950s and 1960s. More information is available on Facebook at [Little Rhody N Trak](#).

We will also have a G-scale module on display.
