MARCH EVENT

The next Little Rhody Division (LRD) event is scheduled for **Saturday, March 7** at the **United Methodist Church**, 1558 South County Trail, East Greenwich, RI 02818. Spouses and guests are always welcome.

We will begin with coffee, donuts and socializing at **9:30 AM**, followed by information sharing and a short business meeting at about **10 AM**.

As always, we will share **ASK A QUESTION/SOLVE A PROBLEM**, a forum for our in-house experts to answer your questions and solve your nagging model railroad problems. And, there's more! **FOR THE GOOD OF THE DIVISION**. This segment is for members to advance items of interest to members of the Division about themselves, someone else, the Division, the Region, the NMRA, or whatever.

Clinic #1: "Club Cars and Other Memories"

Greg Pion, Little Rhody Division (LRD) member and Past Superintendent, will display club cars and reminisce about LRD's past. A sampling of what he has to show us is pictured above.

Clinic #2: “Using the Cricut® Die-Cutting Machine for Model Railroad Projects”

LRD member “DK” Paul will demonstrate how to use the Cricut® machine to cut card stock, and scratch build N-scale paper windows. She made the windows for her N-scale packing house with it and will show everyone how she made them. For those not familiar, Cricut® is an electronic cutting machine used by many scrapbookers to cut card stock. But, it can be used to cut other materials, including thin wood and styrene.

White Elephant Table

Bring your surplus train stuff to our White Elephant Table and see if someone would like to give a new home. Provide a suggested price for your items, but be willing to haggle a bit if necessary. Price tags will be available. A contribution of 10% of the selling price to Little Rhody Division is requested to support our endeavors and to offset any expenses we may incur.
